

Sunday 17th January 2021 – Younger Group Sunday School Activity

*May the Lord make your love increase and overflow for each other and for everyone else,
just as ours does for you.!*

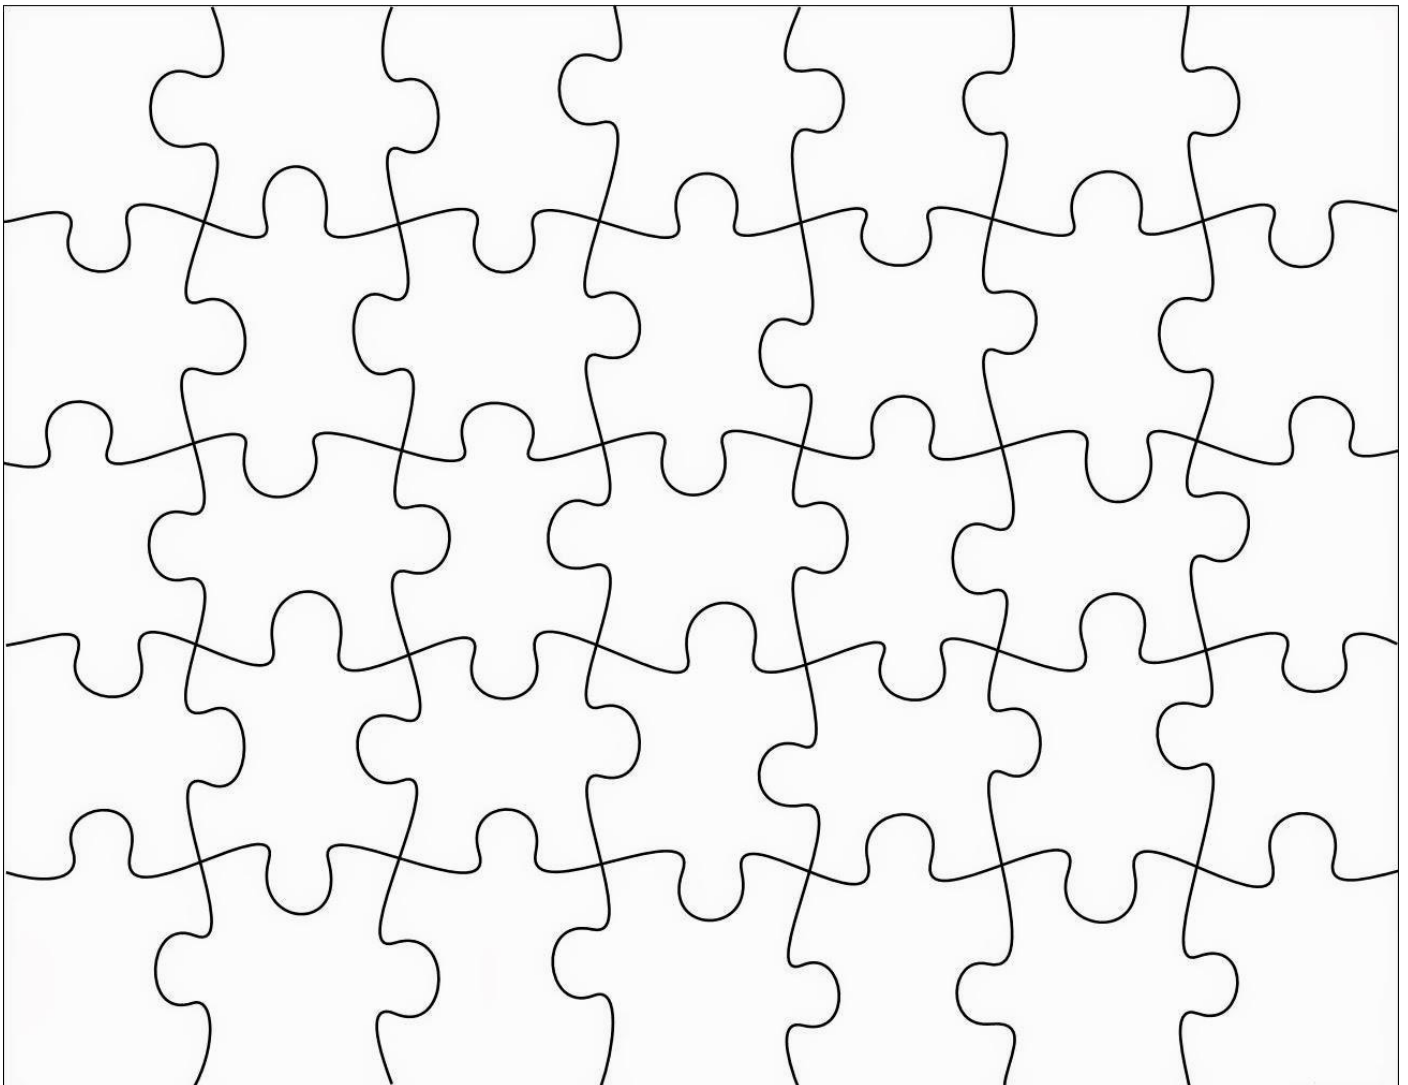

Based on 1 Thessalonians 2:17-3:13

READ – In last week’s activity we met a man called Paul, an apostle, a man who told people about God. He had spent three weeks in Thessalonica, preaching the gospel, and beginning a church, before he was sent out of town by the Jews who didn’t like him. He wrote to the Thessalonians after he’d left and told them how happy he was that they had remained strong in their Christian faith. He was joyful that they were still his friends. He missed them but knew that they’d see each other again.

ACTIVITY – Friendships are like jigsaws, made of lots of different things – TRUST, CARING, LOVE, to name a few.

Think about your friendships. What is it that has made them work well?

On top of the jigsaw template, draw your friends, write about them, your shared interests, words that show why you’re friends. Cut it out and put it back together with someone to show them how grateful you are to have them as a friend.

PRAY - Dear God, please make our love increase and overflow for each other and for everyone else just as it does for you. Amen
