"Say Sorry to God"

READ: In the Bible in Romans 2 it says...*"If you think that you can judge others, then you are wrong. You're guilty of sin too. You judge people, but you do the same bad things they do. So, when you judge them, you are really judging yourself guilty. God judges those who do wrong things. And we know that God's judging is right."*

Activity: Cut the people out and put them in the order of nicest to naughtiest.

Doctor	Little girl	Farmer	Businessman	Criminal
				

Draw a little picture of yourself, cut it out and put it in the nice to naughty line up. Do you think you're nicer than some of them?

Do you think any of these people do bad things? Do you ever do bad things?

The Bible says that EVERYONE can be naughty, unkind and worse and everyone needs forgiveness and what we must do is say sorry to God.

Pray:

Dear Lord, help me to understand that it's not ok to think I'm better than anyone else. Help me be good today and forgive me for the times I didn't do what I know was right and what you wanted me to do.

AMEN
